

Do your employees suffer from Ignore-itis? video

A woman enters a clothing store. The store employee is busy looking at his mobile device. The woman looks at a dress on a rack.

A narrator says, "Do your employees suffer from Ignore-itis? A condition that has them ignoring customers?"

The woman turns to the employee and says, "Excuse me..." The employee ignores her and keeps looking at his phone. The woman says, "Hello?" to try and get his attention. But the employee continues to ignore her. The woman looks annoyed.

The narrator says, "You need Empower Learning Solutions to help your team achieve their potential."
